Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

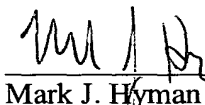

Sir:

The above-identified patent application is a continuation of U.S. Application No. 09/948,820, filed on September 10, 2001, which is a continuation of U.S. Application No. 09/565,391, filed May 5, 2000 (now abandoned). The sequence listing of the instant application is identical to the sequence content of the computer readable form of the sequence listing filed in connection with Application No. 09/565,391.

In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form last/previously filed in connection with Application No. 09/565,391 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the specification of the instant application filed herewith. Applicants hereby certify that the paper copy of the Sequence Listing filed herewith and the computer readable form filed in connection with Application No. 09/565,391 on May 5, 2000 are the same and do not include new matter.

Respectfully submitted,

Dated: July 7, 2003
